Quick Transportation Guide
Incheon International Airport (ICN) → Daejeon Convention Center (DCC)

Welcome to Korea! The following transportation options are recommended for traveling from Incheon International Airport (ICN) to the Daejeon Convention Center (DCC). The airport limousine bus is the easiest option for most international delegates, while the AREX + KTX combination is the fastest public transportation option.

Option 1 (Most Recommended): Airport Limousine Bus 🚌

Why choose this option?
- Easiest for first-time visitors
- No train transfers
- Comfortable reclining seats with luggage storage
- Direct service from Incheon Airport to Daejeon

Estimated Total Cost: ₩35,000 (~US$24–25)
Total Travel Time: Approximately 3–3.5 hours

Step 1. Complete Arrival Procedures

After your flight lands: (1) Immigration, (2) Baggage Claim, (3) Customs, and (4) Enter the Arrival Hall. Allow approximately 45–90 minutes after landing.

Step 2. Purchase Your Bus Ticket

Terminal 1 (T1): Follow the overhead signs for 'Bus' or 'Airport Bus'. Purchase tickets at the indoor ticket counters near Exit 4 or Exit 9, or at outdoor ticket counters and kiosks near Exits 4, 6, 7, 8, 11, and 13.

Ask for: 'One ticket to Daejeon Complex Bus Terminal, please.' or show '대전복합터미널'. Fare: ₩27,700 (~US$19). Major credit cards and cash are accepted.

Terminal 2 (T2): Follow signs to the Transportation Center, go to B1 (Basement Level 1), and purchase your ticket at the Bus Ticket Office or self-service kiosk.

Step 3. Go to the Bus Stop

Terminal 1: Exit through Gate 11 and proceed to Bus Stop 11A-3. Confirm with the driver that the bus is going to Daejeon before boarding.
